Centralized Registration **May 1, 2010**

Welcome to Groton Public Schools. We look forward to having you as part of our family. In order to make the process of registering your student/students efficient and timely, we have established a Centralized Registration process and location for all grade levels in the Groton School District. In order to make this transition easier for you and your family, we have set up an easy to follow, step by step process on our website. Log on to www.groton.k12.ct.us then click on "How to register your child" located on the left side of the home page. Follow the instructions, download and then complete the necessary forms. After the forms are complete and you have gathered the required documentation listed under "What you will need", call 860-572-2197 and our new Centralized Registrar will gladly set up your registration appointment. If you are unable to access our web page, please call 860-572-2197 and we will mail you a registration packet.

If you have any questions concerning this process, please do not hesitate to contact me.

Gee Gee Ellis
Centralized Registrar
